# Internship Report

Tee Hui Qing (0334497)

Bachelor of Arts (Honours) Interior  
Architecture

Semester 5 Feb-Aug 2021

# Company Profile

## Profile-

Company: Swofinty Interior Design

Practice: Research & Design-Based Interior Practice

Owner: Idr. Swofinty Yik

Registration: LAM ID/Y 2, MIID M394

Founded: 2008

Address: 22-1, Jalan Putra Mahkota 7/4b, Putra

Heights, 47650 Subang Jaya, Selangor

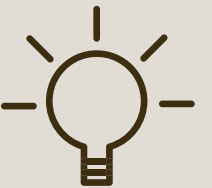

## Link:

1) <https://www.facebook.com/swofintydesigners/>

2) <https://www.swofinty.com/>

## Vision & Motto-

"IDEA', an agent hinged the concept throughout as suggestedd to evolve in no time. Swofinty's favourite path of space is of "It's an amalgam of the experience and ambiance spectrum" clearly shown the process of thinking as key to a success design

# Company Profile

## Most recent awards-

1) MUSE Design Awards 2020 Silver in Restaurant Interior Design > QUIVO KL

2) DAC 2020 World's Leading Designers. World's 41st Best Designer, Expert in Vehicle, Mobility & Transport > Swofinty

3) A' Design Awards & Competition 2019 Silver, Italy > FIN Folding Bike

## QUIVO

**INTERIOR DESIGNER**  
IDr Swofinty Yik

**CLIENT**  
Naresh Global Concepts Sdn Bhd

**PROJECT DESCRIPTION**  
Quivo is a contemporary restaurant and bar that embodies an al fresco experience accompanied by the rich Mediterranean flavours and atmosphere. The design drew on the

*"The mediterranean concept and art nouveau style creates a wonderful dining atmosphere."*

**SILVER**

Stage: Design: Design Development

Span: February till current

A built-from-scratch 3-floor bungalow located at Country Height, Kajang

## Comparison: Garage Door

Aspects/Type	Sectional Overhead Door	Roller Shutter (Industrial)	Sectional Overhead Door
Brand	Prominent Access Sdn. Bhd.	SKB Roller Shutter	BRDECO Sdn. Bhd.
Model Name	EFAFLEX	Security Shutter	Sectional Overhead
Price	RM199,500	RM58,994.16	RM35,500
Origin	Germany	Malaysia	China
Max lengths	10m	11.5m	10m
Colour/ Material	White/ Aluminium	Electro galvanised Steel	Dark Charcoal & etc
Shop Drawings	Refer to printed quotation	Refer to printed quotation	
Project Reference			

## General Comparison Table of Lifts

By: ML Industrials

Traction Lift	Hydraulic Lift	Screw and nuts Lift
<b>Requires</b> Lift Shaft, Lift pit 600mm, Cabin Car, Motor & Head room	<b>Requires</b> Lift Shaft, Cabin car, Need Hydraulic Oil Tank Room <b>Do not Require</b> Lift Pit 600mm	<b>Do not require</b> Lift Shaft (concrete wall), Lift pit, Cabin Car, Extra room (screws, nuts, belt are attached together in its simple operating system)
In use of lifts, normally found in home lift as it is smaller and can reach <b>taller</b> heights but <b>bulkier, bigger</b> <b>not space saving</b>	Need cater for counterweight, thus <b>smaller platform</b> than Screws and nuts lift but bigger than traction lift	<b>No shaft, bigger platform</b> to fit 5 person with the size of 1500mm X 1500mm
Average Maintenance: Every 12 Months	Average Maintenance: 3 Months (Quarterly)	Average Maintenance: Every 12 Months

Studying drawings and source  
for relevant products

Communication Skills for  
inquiry & follow-ups

Understand suitability of  
product and ask for quotation

Drawings undeciphered  
correctly- explain to supplier

# Mood Board

Prepare & Propose materials  
for mood board

Arrange, collect, request  
suitable samples

Sensitivity in selection &  
dealing with suppliers

Samples insufficient- request  
from suppliers

# Door & Window Schedule

Door & Window detailed tabulation

Study drawings more proficiently and transfer info

Extract door plans and create elevations accordingly

Confused with the various types- seek clarification

Rain Shower- Ceiling Type	 option 1: <b>TX 491 STN</b>	<b>TX 491 STN</b> Brand: TOTO Type: Fixed Shower Head with Air Drop L: 186mm Size: 250mmW x 250mmD

# Bathroom Package Schedule

Bathroom Package proposal  
tabulation

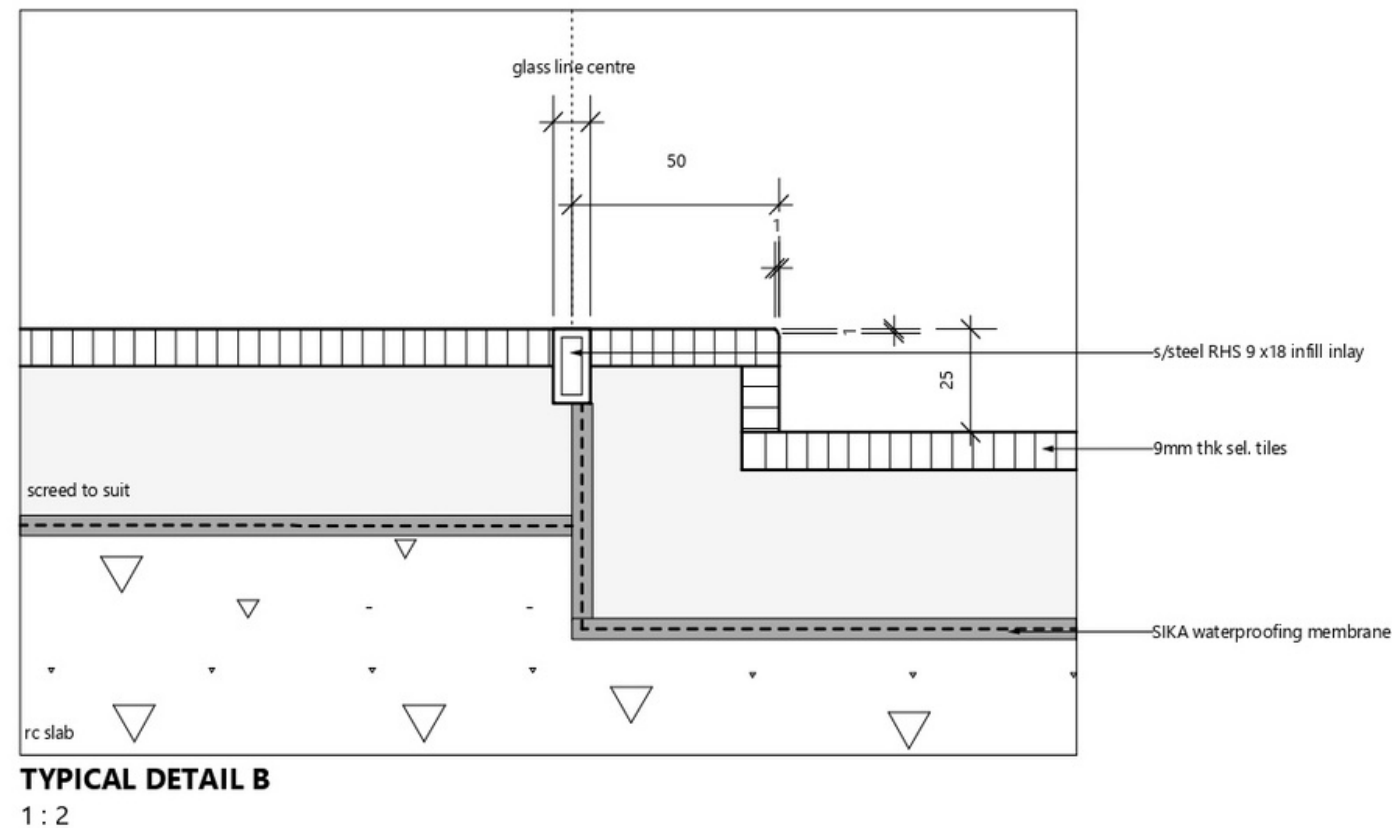

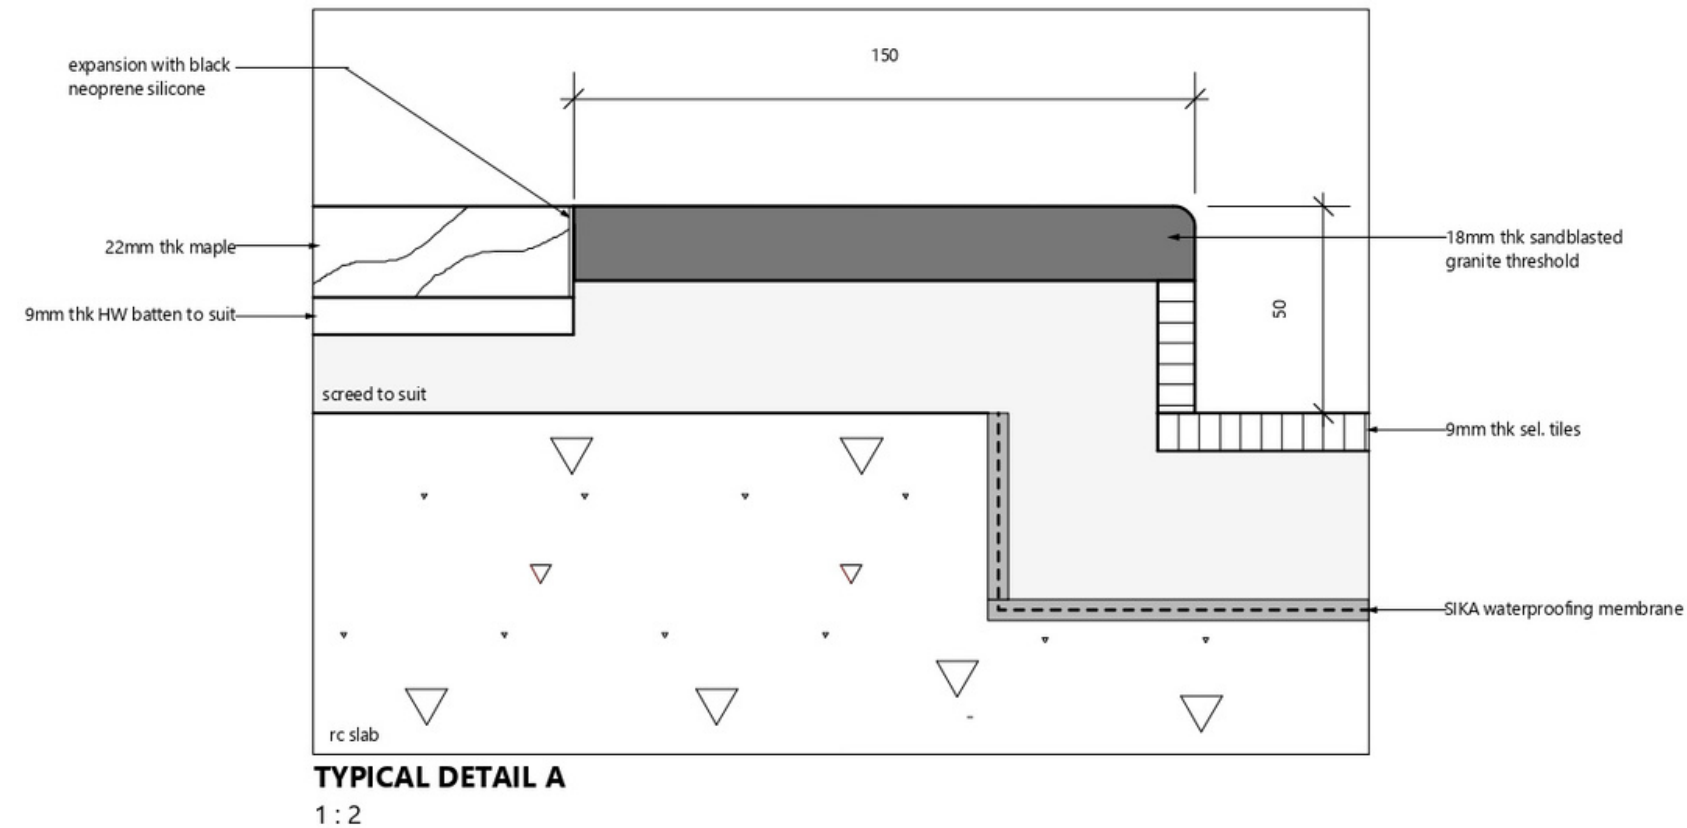

Study drawings and source for  
relevant product designs

Research sanitary brands and  
participate in proposing

Ergonomic & aesthetic  
balance when selecting

# Drafting & Drawings

Floor Junction Detail for bathrooms

Study drawings and source for relevant product designs

Learn about the water proofing & flooring termination

Amendments for the termination details

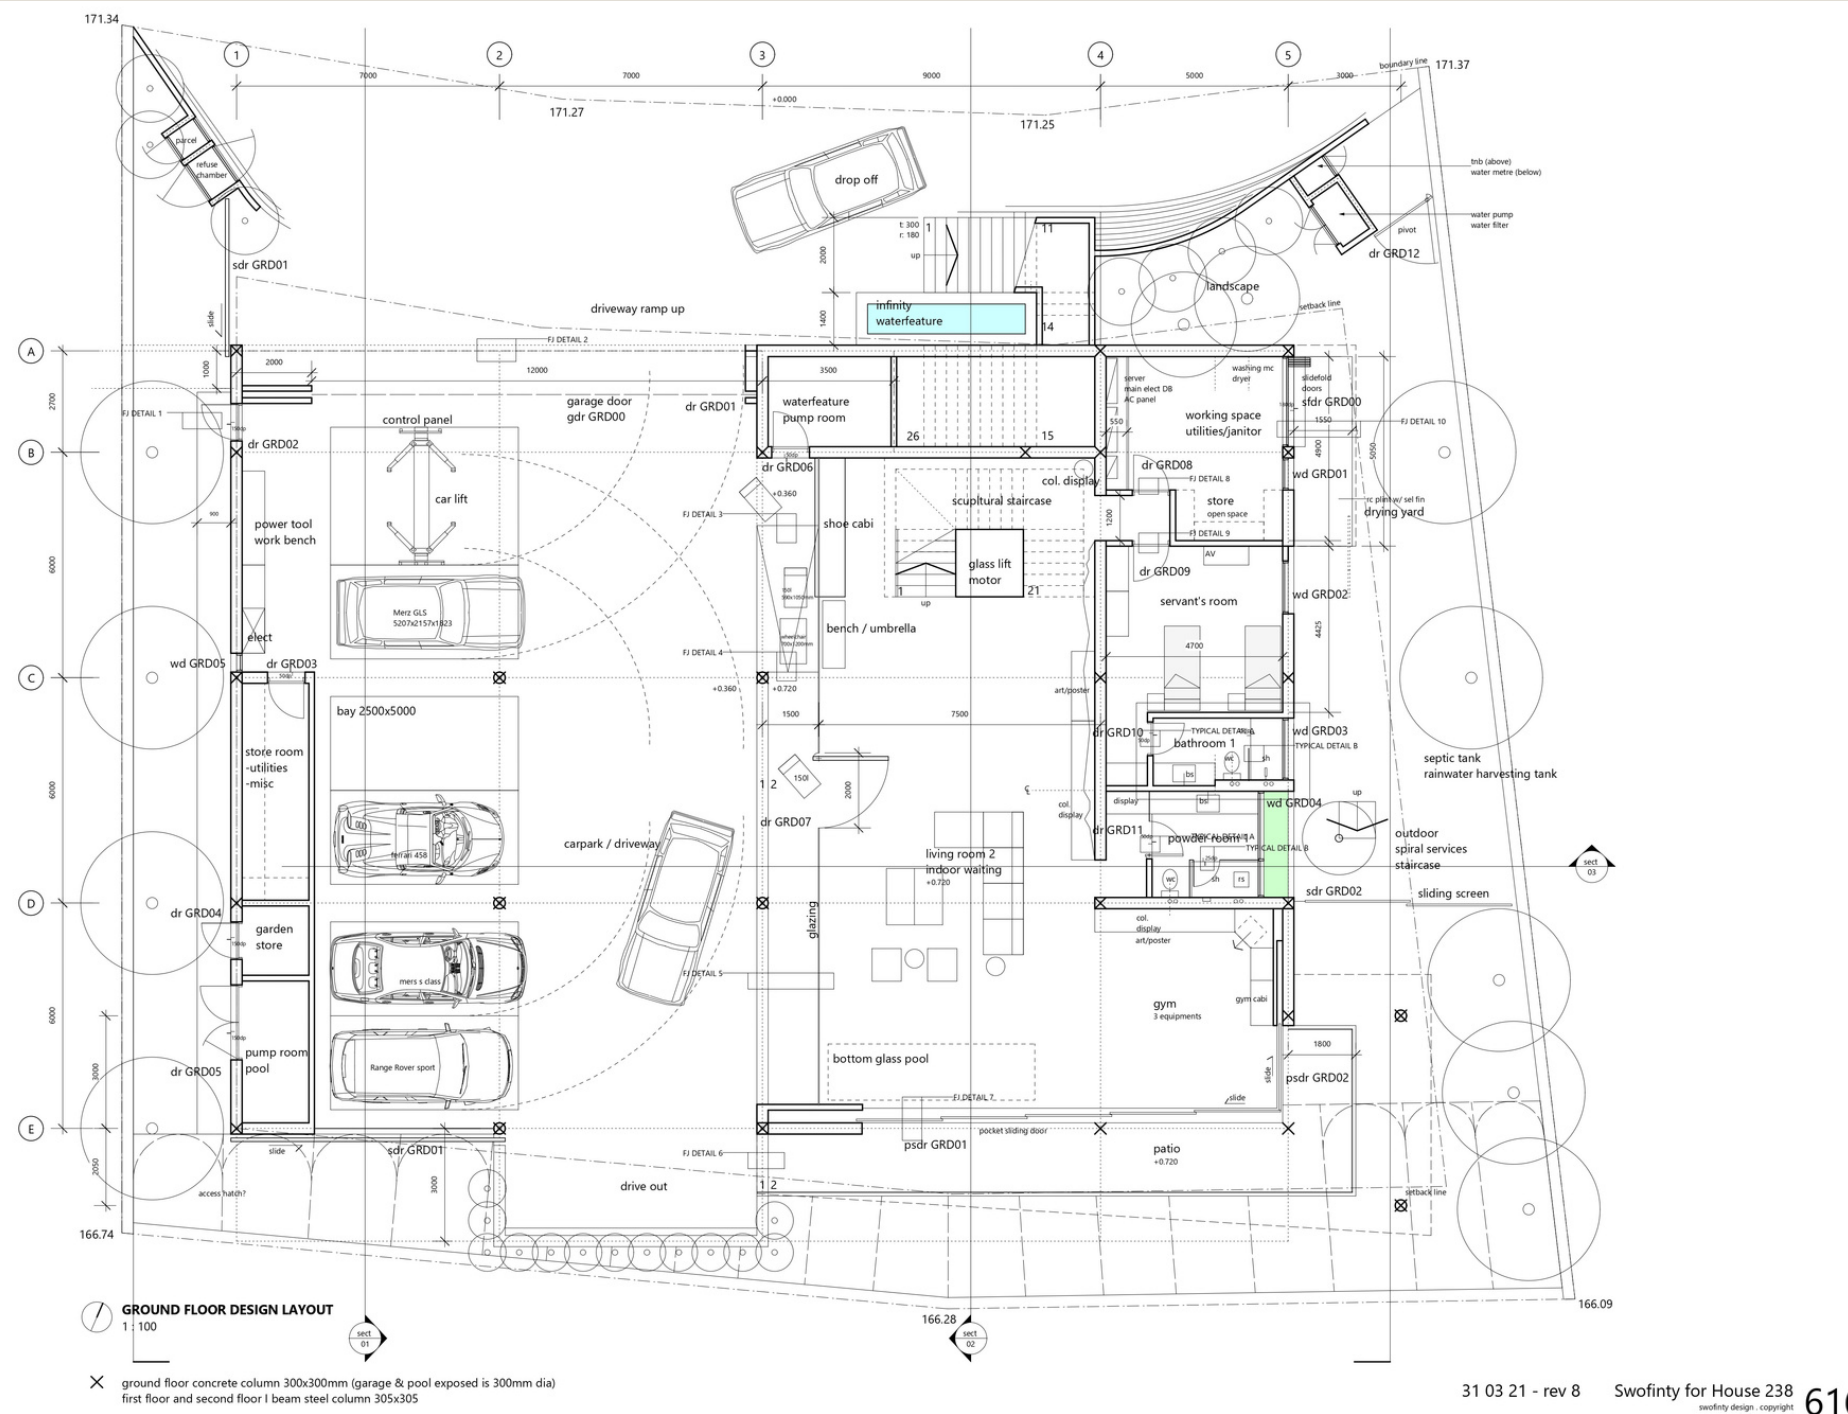

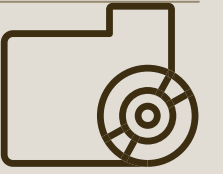

## Conclusion

- Step out of comfort zone to speak to many suppliers
- Understand drawings more proficiently
- Experience in preparing mood board and presentations

## Reflection

- Brush up detail drawing skills
- Each project requires a lot of researches beforehand

# 6II shin labo

# Source Suppliers

Source for loose furniture for alfresco seating/ lounge area

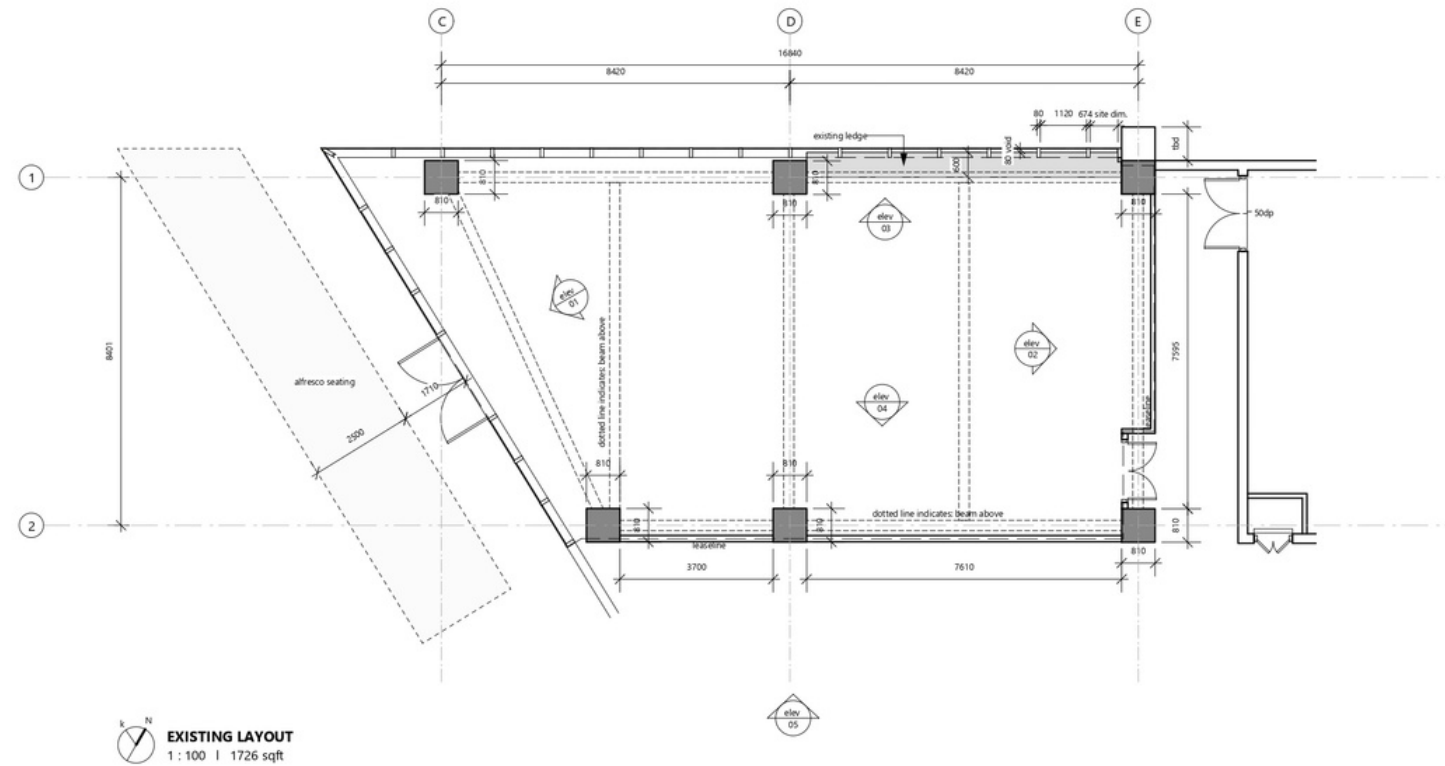

Communication Skills for inquiry & follow-ups

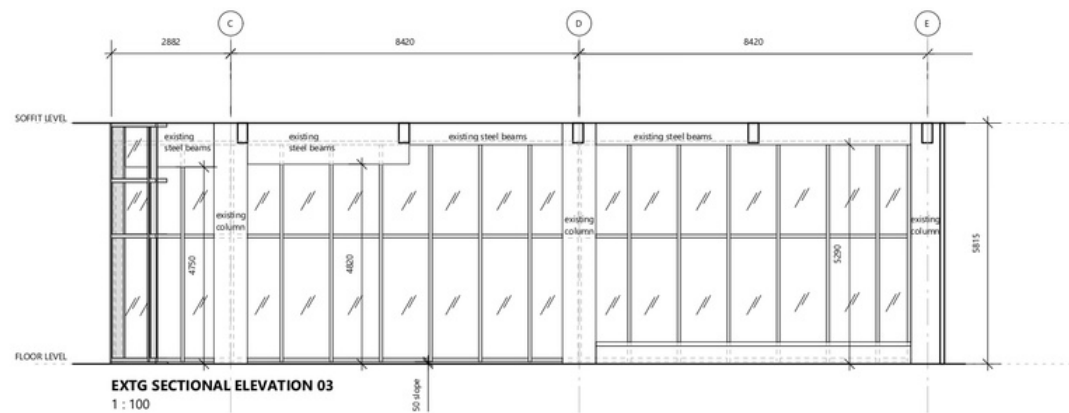

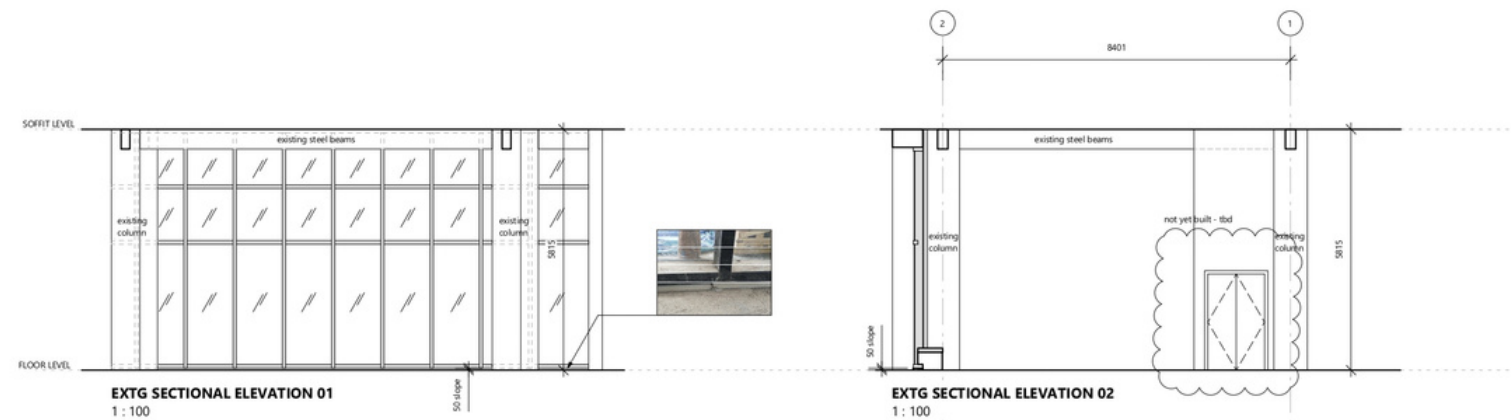

Ask for quotation for replication/ customization

Sourcing carpentries that can do both / constant changes update

swofinty for shin labo @ lalaport 611  
swofinty design - copyright  
design proposal

swofinty for shin labo @ lalaport 611  
swofinty design - copyright  
design proposal

# Drafting & Drawings

Site Visit and Existing layout & elevation drawing production

Do proper drawings according to studio's drawing standards

Vectorworks commands, site observation/sketch,

Unfamiliarity with the software- pick up slowly via numerous amendments

## 3D modelling

Model Loose furniture for  
alfresco seating/ lounge area

Observe & replicate models  
using Sketchup

Improve Sketchup modelling  
skills with plug-ins

Difficult forms to create- own  
imagination for customization

HOSTESS STAND

traditional japanese patterns  
"Wagara", are traditional Japanese patterns with a specific meaning, originally created for decorating traditional garments.

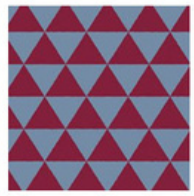

1

Kōjitsunagi  
repeated use of the 工 (kō) character that seems to stretch into infinity.  
  
Association:  
Good Fortune

2

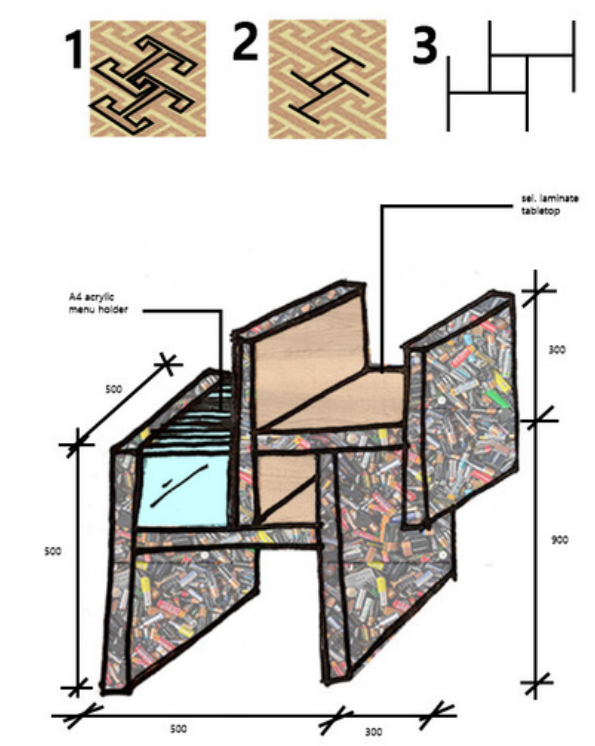

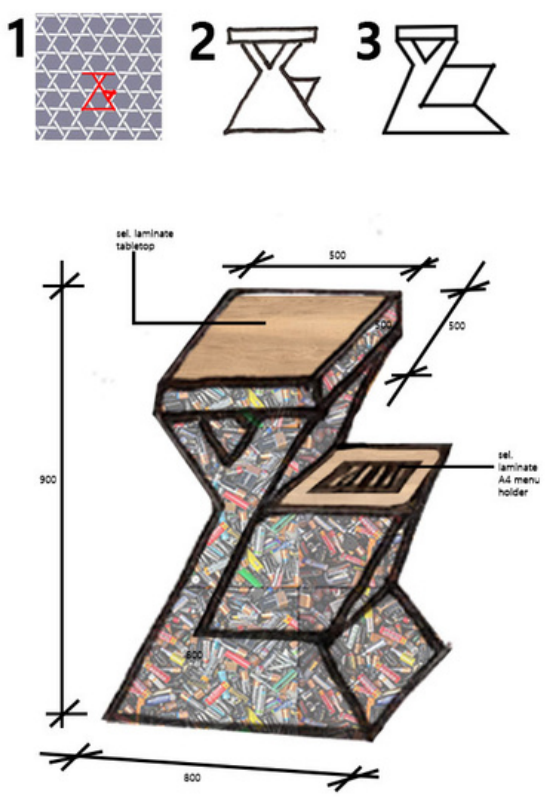

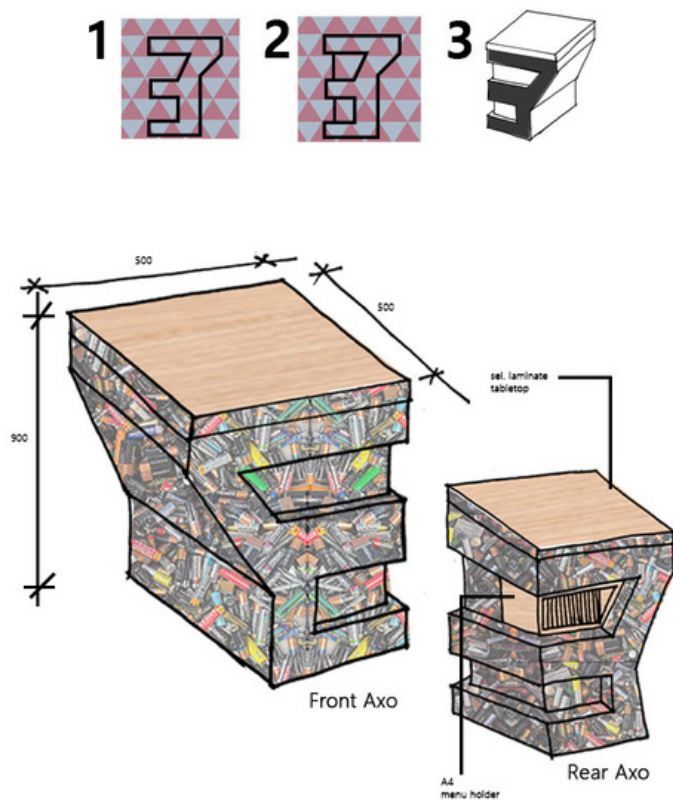

Uroko  
composed of es of different colors that means scale of dragons/ snake/ fish in Japanese.  
Association:  
protects and brings good luck.

3

Kagome  
based on the particular shape of stitches obtained by weaving a bamboo basket.  
Association:  
protect from bad luck

Shin Labo . Hostess Table

Designing

Hostess Stand design based on Japanese/ French theme

Research Japanese culture & develop designs

Explore creativity on new concept & design furniture

Weak concept- convincing design developments

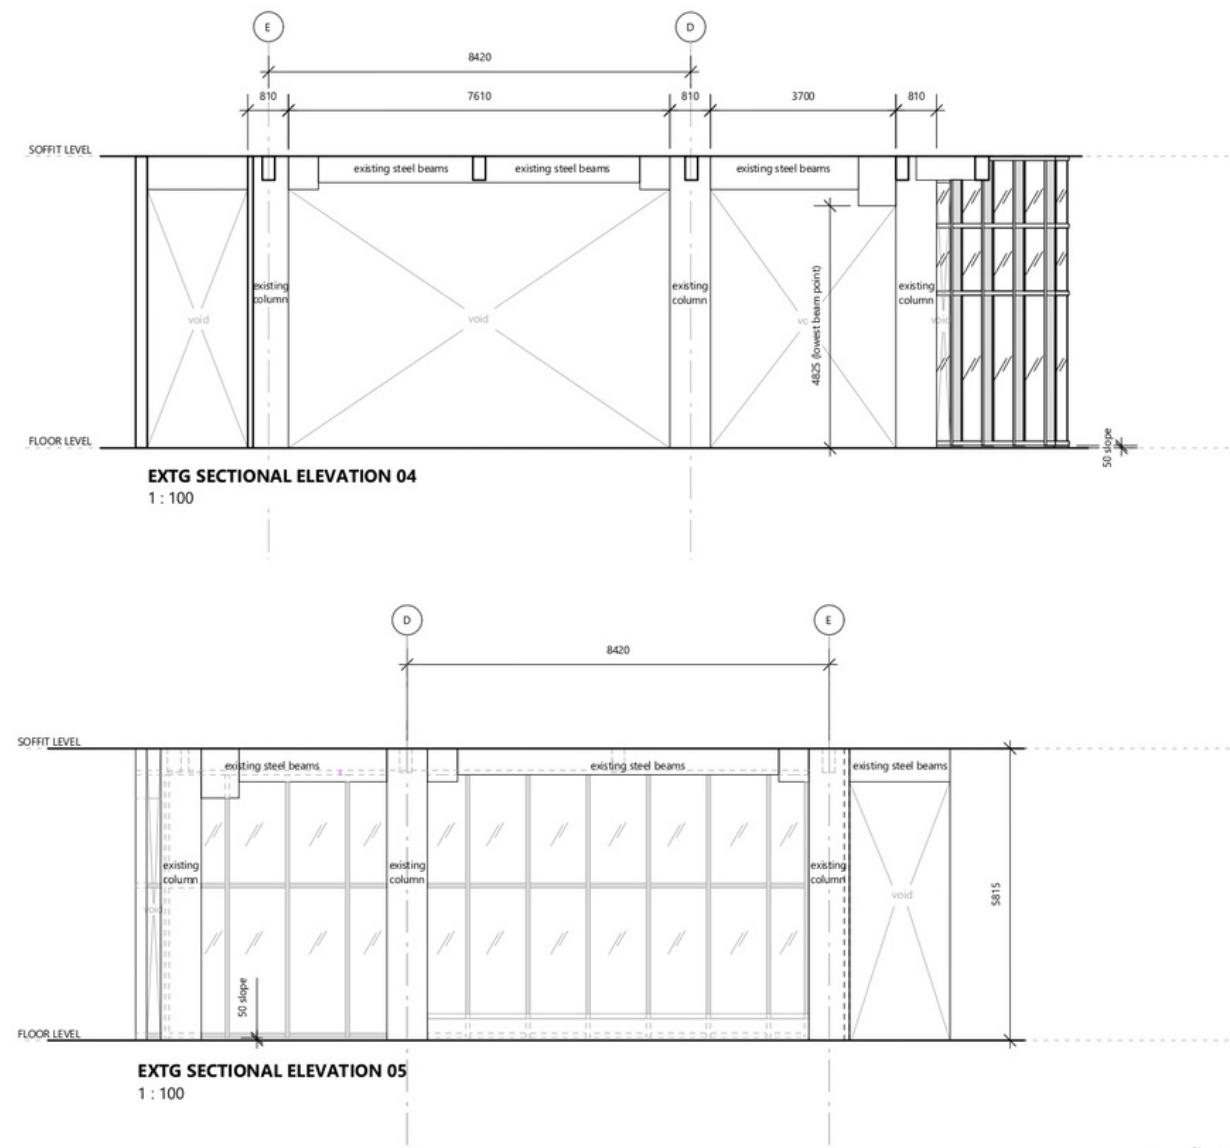

# Conclusion

- Learn a lot about furniture reproduction/ customization
- Brush up Sketchup modelling and Vectorworks drawing production skills
- Communication skills while sourcing

# Reflection

- Brush up drawing production skills
- Creativity in design depends greatly on a good foundation of concept

Pasar Terra & Food Hall areas involving umbrella stand, washing area, surau, ice cream cart & etc.
